Comparative Politics is an international journal containing articles devoted to comparative analysis of political institutions and behavior. Articles range from political patterns of emerging nations to contrasts in the structure of established societies. Comparative Politics communicates new ideas and research findings to social scientists, scholars, and students. The journal is indispensable to experts in research organizations, foundations, consulates, and embassies throughout the world.

Pandaemonium
Ethnicity in International Politics
Daniel Patrick Moynihan
Foreword by Adam Roberts
"a brilliant work of utmost importance. The spectre of violent ethnic conflict and the fractious breakup of nations haunts the contemporary world. Senator Moynihan has addressed the issue with a rare combination of skills and experience."
Milton M. Gordon, University of Massachusetts

0-19-827787-3, 238 pp. £17.95
